

Confirm Your Account Phishing - 6/4/2018

This interestingly formatted email from "Support-Team" is another one of those generic "please click me" emails designed to grab your attention. The link will take you to a compromised site, asking for you to login to gain your password. Please delete this message if it comes to you.

From: Support-Team <cx31@behcets.com>
Date: 6/4/18 2:20 AM (GMT-05:00)
To: "User, Joe" <JoeUser@tntech.edu>
Subject: Confirm Your Account

Office-365 Team

Dear jocuser@tntech.edu,

Your office-365 mail is out of date, and you may not be able to send or receive new messages. We recommend you confirm your mail-box within 12 hours to avoid being.

CONFIRM NOW

Note: Failure to confirm your mail-box will result to permanent disable.

Regards,
Microsoft 2018 Team
