

Attention, Health Link Phishing - 11/18/2017

The email snips below came from compromised addresses at another institution, claiming to be related to a Tennessee Tech department that does not exist. The link has been blocked, and the page was being hosted on a compromised site. The information it was requesting was highly sensitive. If you were able to access the page before it was taken down, or filled out any information, **please contact the myTECH Helpdesk immediately!!! 931-372-3975**
