

Termination Notice - 5/18/2019

Another Office365 phishing email was spotted this weekend. The usual red flags are present: an address you may not recognize, the generic "IT Department" warning, a sense of urgency, a link to an unknown wordpress site, and no official signature.

A notice from my IT Department

Dear astudent@students.tntech.edu

Our record indicates that you recently made a request to terminate your Office365 email. And this process has begun by our administrator.

If this request was made accidentally and you have no knowledge of it, you are advised to cancel the request now

Please give us 24 hours to terminate your account OR.

[Sign in here to cancel termination](#)

Failure to cancel termination will result to closure of your account

Thanks

Please report any suspicious emails to abuse@tntech.edu.
