Executive Director Executive Director of Information Technology

Information Technology Services is led by the **Executive Director of IT** (EDIT), who is responsible for leading the organization, setting strategic goals, and developing organizational culture. The EDIT reports to Tennessee Tech's Vice President of Planning & Finance.

The **Executive Director of IT** is [Yvette Clark](#).

Supporting the Executive Director in the office is the **Assistant to a Senior Executive**, [Angie Vick](#).

Software Compliance Software Compliance

As a Technological University, TTU utilizes a large number of software suites and packages. These packages can range from the always-necessary Microsoft Office suite to specialized instrumentation software in scientific labs. In order to maintain licensing compliance and facilitate communication between individuals, departments, the Purchasing Office, and vendors, ITS employs a **Software Compliance Officer**.

Currently, our Software Compliance Officer is [Allan Jones](#).
