

Mailbox Re-Validation - 12/14/17

This fraudulent email from an unknown sender attempts to inform the user that they should "Reactivate" their mailbox urgently, with no explanation given. This is the perfect example of a phishing email. The site requests your account information, which is controlled by the hackers to gain your login.

Reactivate Your Mailbox

Hello joeuser@tntech.edu,

Within 24 hours, if you do not **REACTIVATE** your mailbox, your email will be disabled / terminated. That means you will not be able to send or receive e-mail.
