**Subject:** Part time Job opportunity

We received your email from your network that you're job hunting. We currently have some positions available.

With an increase in our customers from different parts of the globe, the expansion of the company has made it essential in recent times to employ part-time representatives (reps) in different geographic locations where we render service. The current expansion is what has created job opportunities like this for people like you.

Each agent will only order for materials once in a week, we are employing you just to reduce the workload for us, our supplier and for the agents. You are to keep record of materials that are being ordered weekly by the agents.

It is an online job where agents will only contact you for materials during the week.

Salary/wages payment:

You will be paid \$400 weekly.

ENTITLEMENT: You are entitled to \$180 internet bonus monthly for the job.

We will always email you guidelines and instructions to follow in getting your job done perfectly when you start working.

If you still care to proceed with the job, get back to us with the information listed below then we can proceed from there.
