## Overview Overview

Welcome to the ITS announcements list. Here you'll find a list of all recent IT-related announcements that have been sent out to the campus community.

## Single-Tenant Project Single-Tenant Email Project

Tennessee Tech will be moving all accounts to a single domain to better facilitate interaction between faculty, staff, and students. Having everyone on the same domain (@tntech.edu) allows for easier collaboration and sharing of data.

## Windows 7 EOL Windows 7 Approaching End of Life

Windows 7 will no longer receive support and vulnerability patches from Microsoft beginning in 2020. This announcement lays out the ITS plan for migrating all users still on Windows 7 devices to Windows 10.
